TECHNICAL

The high version of the Iron Cast Lamp.
Made of Cast iron with a powder coat finish.
Inspired by the weight of cast metal, its low center of gravity, and the spin of a child's top.

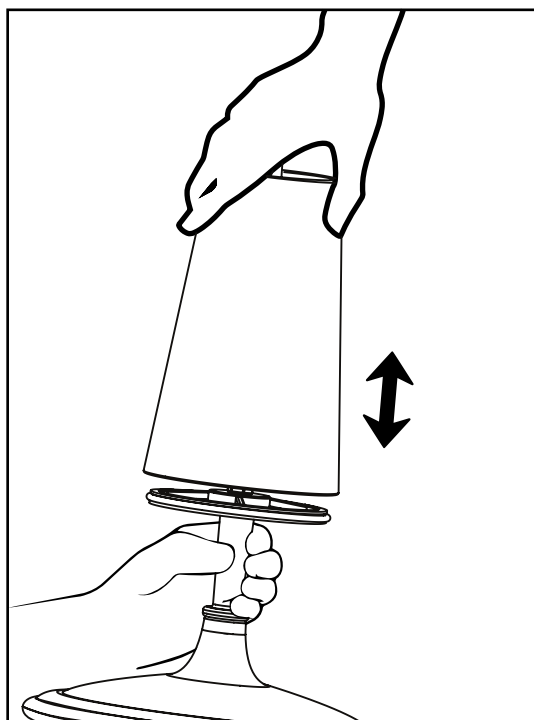

Required one LED with E14 (small) fitting

Power consumption: 4W

Cable length: 2,5m Incl. powerswitch (braided fabric wire)

Cable color: Depends on the color of the lamp.

Before changing the light, take of the hood as followed:
